## **Post-Christian, Post Biblical Society.**

Literal Bible belief ridiculed by Non-Christians – AND CHRISTIANS?

It takes More faith to believe in Aboigenetic Origins.

Apologetics = Defensive

## **Age of Earth a Gospel Issue?**

The Matt Damon Problem.

Young Earth Drives People Away from the Gospel?

“Relevant” View = The Bible is meant to convey Theological, not Scientific/Historical Truth.

## **How to Drive Someone Away from the Gospel.**

2 Cor 4:2-4, Rom 1:16, 1 Cor 1:18-23... then...

Rom 5:8-11, but not 12

Old Earth Christians still love 1 Cor 15:51-52

## **“Settled Science”**

Ice Age or Global Warming? Gen 8:22

Size of the Milky Way?

Galen of Pergamon vs. William Harvey

Job 38:16 – Settled Bible Science beat Man's Science by a few thousand years.

## **Common Objections/Stumblingblocks.**

No dinosaurs in the Bible?

The Fossil Record...

Fossil Facts = The Flood Record?

Distant Starlight – proof of Old Universe?
